<p><b>Presenter, Technician, Sponsor, Parent (in dorm) Registration</b>                  March 16</p>	<p>Within one week after the Region 9 competition each school will receive (via email) an Excel spreadsheet. This spreadsheet will be used to register all presenters, technicians, sponsors, and parents (only parents staying in the dorms) from your school. You will fill it in, save it, and email it back to Bonnie Nesbitt. This is the only housing form needed for presenters, sponsors, technicians, and parents staying in the dorm.</p> <p>A school may bring at most two technicians; your school does not have to bring any technicians. Schools with adequate adult supervision may ask to bring additional techs. All technicians will be registered using the same Excel spreadsheet as the others. Technicians pay the same fee - \$125.</p>
